What's Happening in the PTSA?

Reflections Program! Maywood PTSA: The Reflections Program is a National PTA and WSPTA cultural arts competition. The purpose is to provide an opportunity for students to use their creative talents by expressing themselves through their own original works. This year's Reflection program theme is, "What Is Your Story?" Tell your story through dance, a short film, a poem or story, an original song, a photo or visual work of art. Students of all abilities are encouraged to submit entries. Students may enter up to (3) entries in any of these (6) categories: Visual Arts, Photography, Literature, Music Composition, Film/Video, and Choreography/Dance. Entries are judged on creative ability and interpretation of the theme. For student entry form, entry guidelines and program information visit the Maywood PTSA website at <http://maywoodptsa.org/Home>
