

Hello MMS Parent,

Do you ever wonder what it takes for kids to learn – a well-nourished child, a rich learning environment, a well-prepared educated teacher, a supportive family? Each of these elements contribute to the success of student learning.

Please join me to learn how our community can support the needs of students at the Issaquah Schools Foundation's Nourish Every Mind Luncheon, to be held at Meydenbauer Center May 10, 2018 or breakfast held at Eastridge Church in Issaquah on May 22, 2018.

As you know, it's a great way to reconnect with the Foundation, socialize and hear success stories from students and staff who have benefitted from your generosity. I am a table captain at both events and I am happy to help sign you up for that event and we will make sure you are well taken care of.

These events are a great way to learn more about the Issaquah Schools Foundation, socialize, and hear firsthand from students and staff who have directly benefited from Foundation investments.

Nourish Every Mind is a great way to learn more about the Issaquah Schools Foundation and hear first-hand from students and staff who have directly benefited from Foundation investments. You'll also discover why private support is the quickest path to improvement of our public schools.

The requested minimum donation at the Luncheon and Breakfast is \$150, or \$12.50/month, all used to support programs and initiatives that touch the lives of all Issaquah School District students.

I look forward to sharing this inspirational event with you. Please call or e-mail Greta LaMont, ISF Chair for MMS @ (425) 417-0594 or email [grlamont@live.com](mailto:grlamont@live.com) with your response as soon as you can. I'm saving a seat for you!
