### **Spirit Wear (Leslie Kahler):**

We made \$503.76

(\$836.75 is total profit, minus cost of samples \$212.99 and minus art charges \$120)

We sold a total of 345 pieces

(230 order wave 1; 115 pieces order wave 2)

Highest selling pieces, Cotton hoods, Cotton Tees, and Dri-fit hoods.

This compares to last year's sales of \$443.25 in profit; 265 pieces sold.

Details: Two order waves. Some issues with imprints not adhering. We replaced those shirts at vendor cost, and the vendor has replaced his printer with another company. Samples were donated to the counseling office for use with students in need. Shirts that needed to be replaced but did not have names on the back were donated to nurse's office at vendor's expense. Looking for chair for next year. Working on new items for next year soon, so send feedback to Leslie Kahler.

Check for profit is due from vendor. Will give to Laila to deposit when it arrives.
