Our Mission

It is the mission of the Maywood PTSA to build a strong, inclusive, and supportive community through positive and effective communication, thereby increasing participation of parents, teachers, and staff, and advocacy for students.

Our Goals

- Strengthen our membership by conducting at least two membership recruitment drives this year.
- Enrich the educational experience of Maywood students by funding programs and events to supplement the curriculum.
- Continue to promote volunteer opportunities and overall participation by parents and community members at Maywood and/or virtually through regular and ongoing communications to PTSA members and potential members.
- Provide a Family and Community Engagement program to support students and families in the Maywood community.
- Advocate at the local, region and state level on behalf of the Maywood Community. This shall include attendance at PTA legislative events and support of PTA-endorsed legislation.
- The PTSA will participate in outreach projects benefiting the community including facilitating access to providing food, school supplies and other family needs.
- Encourage diversity, equity, and inclusion by providing information and resources to the Maywood community.
